Twelve Vista View Lakeview Acres on Stockton Lake, MO

Prime Missouri land for sale on Stockton Lake is very difficult to find. The grand vista lake view property has 12.14 unobstructed acres at \$89,949. It is available for immediate development, either as a 12 acre parcel or as 4-acre plots. The asking price for all 12.14 acres is \$89,949, while each of the three 4-acre parcels is only \$32,949.

This lake view property places you on the South fork, and the property is 6.4miles from Greenfield, MO. Plus, the acreage is just 2 miles Mutton Creek Marina, Crabtree Cove Camp ground, three marinas, and three different towns in Missouri's Ozark country.

These 12 acres could be subdivided to sell as lots, as well as other private uses. Our current asking price includes an estimate for water and roads.
